

6 Nov 2025

IETF 124

draft-ietf-mlcodec-opus-extension

Draft Status

- -05 published
 - Addressed all comments from WGLC
 - Should be no major normative changes
 - Added a new Examples section based on my mail to the list from 28 July 2024
 - Lots of nitty-gritty details, so review/feedback encouraged

Next Steps?

Opus Extension Format
